## Attention all Soldiers!!

Army Emergency Relief has a new program that will help expedite your request for Financial Assistance. It's called "The Commanders Referral Program". Under this program your Commander or First Sergeant, can authorize up to \$1000 of emergency need. You still must fill out DA Form 1103 and have your Commander or First Sergeant sign item 19 and note "Commanders Referral" after their signature. You must also meet eligibility requirements and not be on the AER restricted list. All you have to do after the Commander or First Sergeant has signed the application, is bring the documents to the AER Officer, and a check will be printed for you. This program is only for Active Duty Soldiers and can only be used twice per year by the Soldier. A soldier or family member can still get emergency financial assistance through the AER office at anytime the need arises.
